SM Pro Spoke Fitments	37-39

40 BRAKE DISCS

42 CONTACT

FEATURES

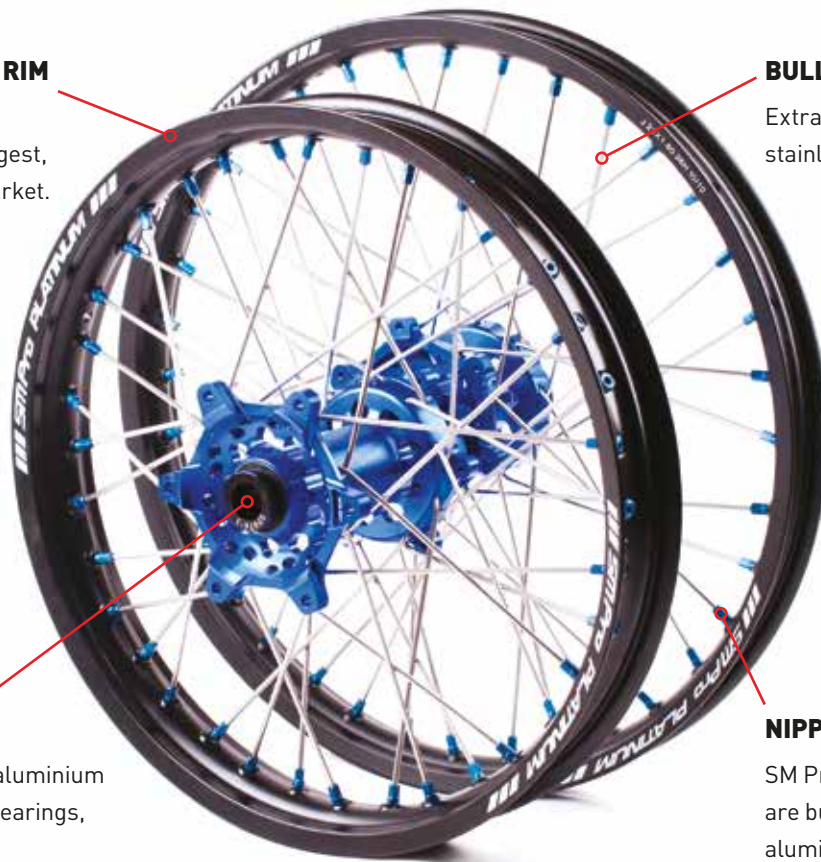

SM PRO PLATINUM RIM

Made from 7050- T6 aluminium. The strongest, lightest rim on the market.

BULLDOG SPOKES

Extra strong, high tensile stainless steel spokes.

SM PRO HUBS

Machined from billet aluminium come complete with bearings, seals and spacers.

NIPPLES

SM Pro Platinum wheels are built with coloured aluminium nipples to give the lightest combination. SM Pro Platinum Race series are built with nickel plated steel nipples.

ASSEMBLY

All wheels are assembled by hand by our skilled technicians.

RIM SIZES

80 / 21x1.60	60 / 19x1.60	70 / 16.5x3.50
81 / 19x2.15	61 / 16x1.85	71 / 17x3.50
82 / 19x1.85	62 / 17x1.40	72 / 17x4.25
84 / 18x2.15	63 / 14x1.60	73 / 17x5.00
	64 / 12x1.60	
	65 / 10x1.60	

WHEEL PART NUMBERS

A wheel is comprised of a combination of part numbers which is formatted as follows:

Hub Part Number. Hub Colour.
Rim Size. Rim Colour. Nipple Colour.
So for example the wheel above would be: **SP074. 04. 80. 01. 04.**

COLOUR OPTIONS AVAILABLE

This year sees the arrival of new colour options to the SM Pro Wheels selection. Add any of these colour codes onto either your hub, rim, nipple or spoke colour as previously explained on page 3 wheel part numbers.

HUBS

All stock hub colours are shown in this brochure in gloss according to which model you have. Alternative colours are available as per the colour chart below (at an extra cost).

RIMS

Senior M/X Rims are in stock in Matte Silver, Black and Gold. Alternative colours are available as per the colour chart below (at an extra cost).

Junior M/X, Supermoto and Speedway Rims are stocked in Gloss Silver, Black and Gold. Alternative colours are available as per the colour chart below (at an extra cost).

NIPPLES

Alloy nipples are available in gloss colours only 00-07 from the colour chart below.

SPOKES

Chemically blackened spokes are Matte Black but all other powdercoated coloured spokes will be Gloss finish as per the colour chart below.

CUSTOM WHEEL FINISHES

In addition to the colours listed in this brochure you can also use your imagination and choose to customise your wheels with various colour combinations; we can do Camo or fade two colours onto your rims

We can assemble these on to any of the hubs listed in this brochure and can even mix the colours of the spokes.

We can build Dual Colour Camo or Fade rims using Black, Silver, Red or Gold with any nipple colour configuration.

Custom builds are extra and are not available from stock so for more information call us on 01675 462 264. These options take 3-4 weeks for delivery as they are anodised to order.

BRAKES

REPLACEMENT RIMS

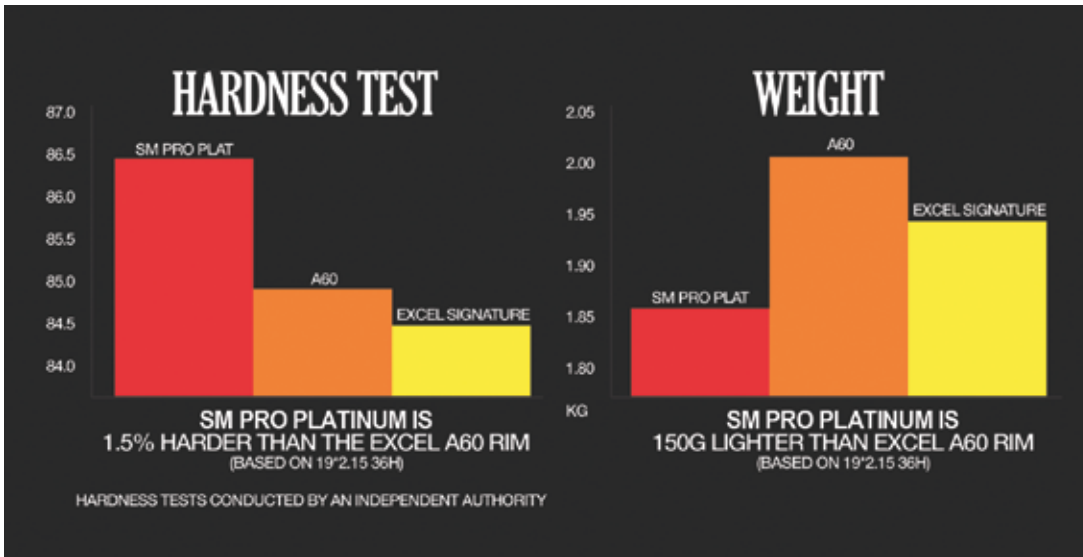

The SM Pro Platinum rim is the strongest and lightest aftermarket rim available to date. 18 months in testing and development the SM Pro Platinum rim is made from a new specially formulated high grade of 7050 Series Aluminium.

The Platinum rim has been designed, tested and manufactured to withstand the rigours and demands of today's performance motorcycles and riding styles, whilst reducing the weight of the rim to reduce the unsprung weight of the wheel. The SM Pro Platinum rim is the new benchmark of aftermarket MX rims.

SM Pro Platinum rims are available in Factory Matte and Gloss in a wide variety of colours (see page 4) and feature a stylish etched logo to showcase the Platinum rim. Platinum rims are available from 18"-21" and can be fitted to SM Pro or Original Equipment Manufacturer Hubs (other brands available on request).

OEM SPOKE FITMENTS

All our 'Bulldog' spokes are manufactured from High Tensile Stainless Steel and for an extra cost can be powdercoated in a colour of your choice or chemically blacked.

Aluminium nipples can be included to gain the strongest and lightest wheel combination and can also be hard anodised to a colour of your choice or can be Nickel plated Steel or Brass. (See page 1 for all colours options available)

9 Gauge x 6.40mm	XX.09.250
9 Gauge x 7mm	XX.09.275
9 Gauge x 7.60mm	XX.09.300
10 Gauge x 6.40mm	XX.10.250
10 Gauge x 7mm	XX.10.275
10 Gauge x 7.60mm	XX.10.300

ALUMINIUM NIPPLES

Description	Wheel Part Number
7 Gauge x 8.25mm	NA.07.325.XX
8 Gauge x 7.60mm	NA.08.300.XX
8 Gauge x 8.25mm	NA.08.325.XX
9 Gauge x 7.60mm	NA.09.300.XX
9 Gauge x 8.25mm	NA.09.325.XX
10 Gauge x 7.60mm	NA.10.300.XX

For Nickel Plated Brass replace XX with NB and Nickel Plated Steel with NS.

SM PRO SPOKE FITMENTS

All our 'Bulldog' spokes are manufactured from High Tensile Stainless Steel and for an extra cost can be powdercoated in a colour of your choice or chemically blacked.

Aluminium nipples can be included to gain the strongest and lightest wheel combination and can also be hard anodised to a colour of your choice or can be Nickel plated Steel or Brass. (See page 3 for all colours options available)

SM PRO BRAKE DISCS

These laser cut and diamond parallel surface ground brake discs ensure perfect flatness.

They are manufactured from specifically blended 410 grade Stainless Steel. The design increases the temperature resistance for superior toughness. The specifically designed cooling slots allow for the ultimate braking experience.

Our Brake Disc range covers Front and Rear wheel discs for all the leading Honda, Kawasaki, Suzuki, Yamaha, KTM and Husqvarna offroad motorcycles.
